

THYME

ON DEMAND

Quick Reference Guide

On Demand membership

On Demand is Thyme’s most flexible and affordable membership. It includes **four private GP appointments**, whenever you need them. What’s more, you will have discounted access to further private GP appointments.

Your annual **Essential health check** looks at your whole health through comprehensive examination, **blood testing**, and **genetic analysis**—all helping identify areas in need of improvement or that require attention. The key to keeping you healthier for longer.

On Demand also unlocks access to Thyme’s extensive range of **preventative tests and lifestyle medicine specialists**. Access these services when it suits you.
